- 3 Participant, Speaker and Exhibitor information
- 4 Conference Registration Form
- 5 Betty Rountree Education Grant Application

## President's Message

For many years, the Rio Grande Valley Council of Teachers of Mathematics (RGVCTM) has organized an annual conference to support mathematics education across South Texas. The 51<sup>st</sup> Annual Mathematics Conference last November was a great success thanks to the efforts of RGVCTM Board Members, UTRGV personnel, volunteers, presenters, exhibitors, and conference attendees. It is through the cooperation of all those involved that we are able to enrich mathematics education for the students of the Rio Grande Valley. We extend a special thanks to the University of Texas Rio Grande Valley for their continued support in hosting the conference.

Look for more details about the conference as they become available. Join our Facebook page or follow us on Twitter to be one of the 1<sup>st</sup> to get the information. We invite you to join us for this outstanding event. The conference will be held at UTRGV on November 4, 2017. The registration form is in this newsletter and it is available at [www.rgvctm.org](http://www.rgvctm.org). We welcome your suggestions for improvement of the conference, presenters, or exhibitors.
